

Course Reserves & Reading Lists

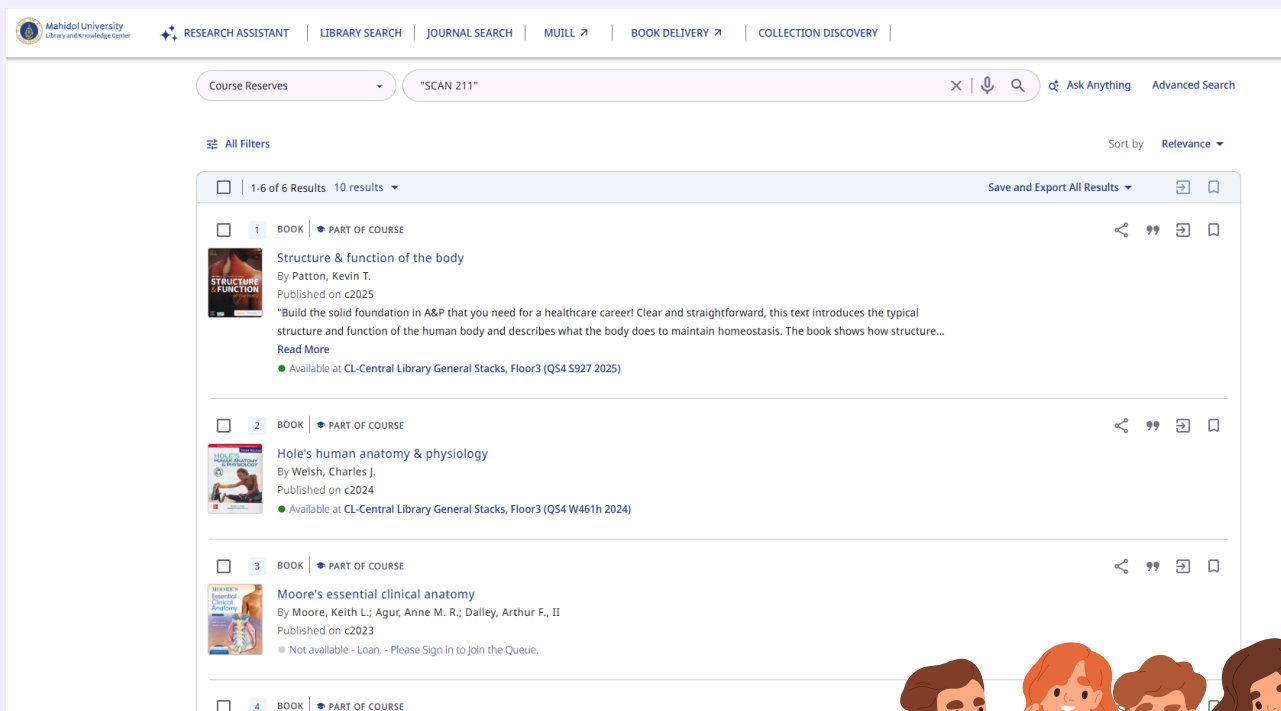

Course Reserves Search Guide

By Collection Development Division

1. Go to the library website www.li.mahidol.ac.th/eng/ > **Mahidol Library Resource**. Select **Course Reserves**, then enter the “**Course Code**” or “**Course Name**” and click **Search**.

2. The system displays a list of course-related resources available through the library. Users can select the resources they require.

All course reserves will be marked with a **PART OF COURSE** symbol.

Course Code : Course Code (English or Thai)

Course Name : A name of a course (English only)

3. The system will display the resource information page, which includes:

- 1) **Title** 2) **Resource Location** 3) **Call Number** or **Fulltext**
- 4) **Course Information** (course details)
- 5) **Virtual Browse** (other resources with similar content)
- 6) **More from the same course** (other resources related to the same course)

The screenshot shows the Mahidol University Library interface. At the top, there's a navigation bar with links like RESEARCH ASSISTANT, LIBRARY SEARCH, JOURNAL SEARCH, etc. Below this is a search bar with the text "SCAN 211".

1 points to the book title "Structure & function of the body" by Patton, Kevin T., published in 2025. A brief description is provided: "Build the solid foundation in A&P that you need for a healthcare career! Clear and straightforward, this text introduces the typical structure and function of the human body and describes what the body does to maintain homeostasis. The book shows how structure..."

2 points to the "Locations" section, which shows the book is available at CL-Central Library, General Stacks, Floor3, Q54 S927 2025 (1 available, 1 item, 0 requests).

3 points to the "Item in place" section, which lists the item call number (Q54 S927 2025), location (General Stacks, Floor3), and barcode (30822006865546).

4 points to the "Details" section, which provides comprehensive information about the book, including its title, author, MESH subjects, description, contents, other title, publisher, edition, publication year, format, identifier, note, type, and course information.

5 points to the "Virtual Browse" section, which displays a carousel of related books, including "Anatomy 2015", "Core concepts in anatomy c1997", "Structure & function of t... c2025", "Study Guide for Structure... c2012", "The human body made... 2002", and "Seeley princ... c2012".

6 points to the "Links" section, which includes a link to "Display Source Record".

Below the "Links" section is the "More from the same Course" section, which displays a carousel of related books, including "Human anatomy & physiology", "Hole's human anatomy & physiology", "คู่มือปฏิบัติการกายวิภาคศาสตร์พื้นฐาน...", "สาระสำคัญกายวิภาคศาสตร์ของมนุษย์...", and "Moore's essential clinical...".

At the bottom right, there is an illustration of a person sitting on the floor, reading a book, with a potted plant and a soccer ball nearby.
