

Course Reserves & Reading Lists

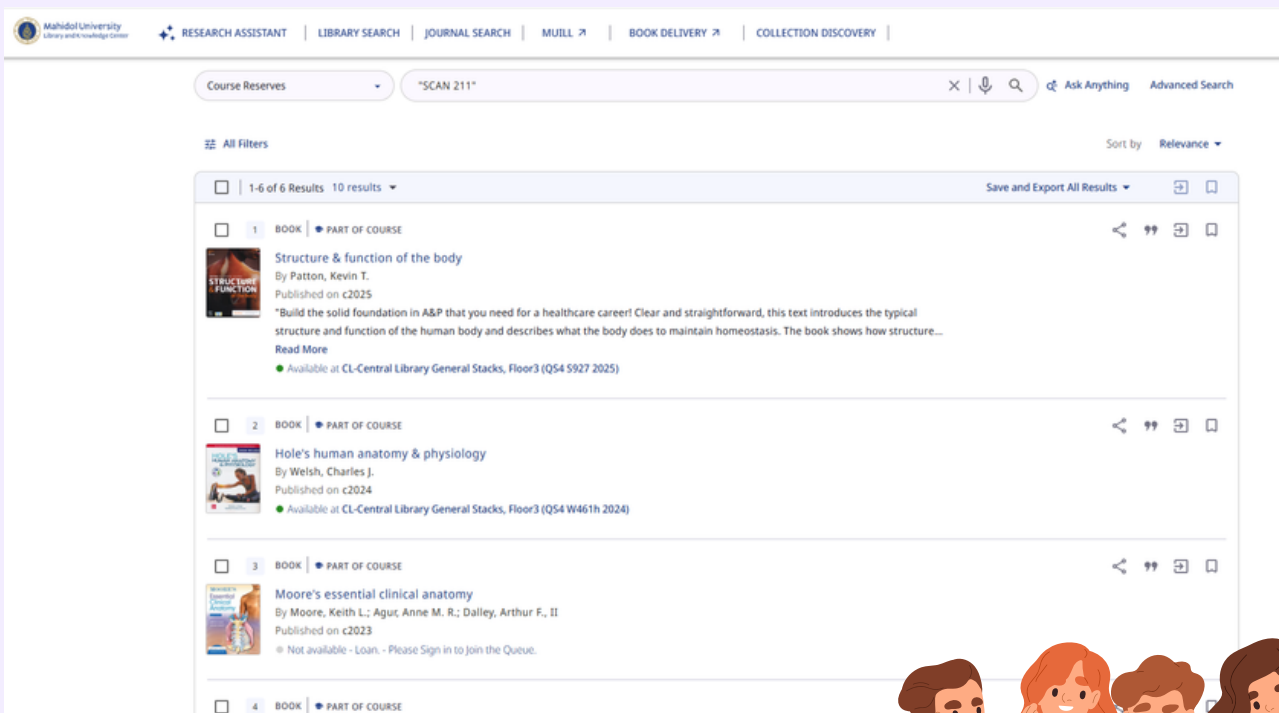

Course Reserves Search Guide

By Collection Development Division

1. Go to the library website www.li.mahidol.ac.th/eng/ > **Course Reserves**. Select **Mahidol Library Resource**, then enter the “**Course Code**” or “**Course Name**” and click **Search**.

2. The system displays a list of course-related resources available through the library. Users can select the resources they require.

All course reserves will be marked with a **PART OF COURSE** symbol.

Course Code : Course Code (English or Thai)

Course Name : A name of a course (English only)

3. The system will display the resource information page, which includes:

- 1) **Title** 2) **Resource Location** 3) **Call Number** or **Fulltext**
- 4) **Course Information** (course details)
- 5) **Virtual Browse** (other resources with similar content)
- 6) **More from the same course** (other resources related to the same course)

The screenshot shows the Mahidol University Library interface. At the top, there's a navigation bar with links like 'RESEARCH ASSISTANT', 'LIBRARY SEARCH', 'JOURNAL SEARCH', 'MULLI', 'BOOK DELIVERY', and 'COLLECTION DISCOVERY'. Below this is a search bar with 'SCAN 211' entered. The main content area displays the book 'Structure & function of the body' by Patton, Kevin T., published in 2025. A purple circle with the number '1' points to the book title. Below the book details, there's a 'Locations' section showing 'CL-Central Library' with 'General Stacks, Floor3; Q54 5927 2025' and '1 available, 1 item, 0 requests'. A purple circle with the number '2' points to the location information. Below this, the 'Item in place' section shows the 'Item Call number: Q54 5927 2025', 'Location: General Stacks, Floor3', and 'Barcode: 30822006865546'. A purple circle with the number '3' points to the call number. The 'Requests' section is empty. The 'Details' section provides more information about the book, including the title, author, MESH subjects, description, contents, other title, publisher, edition, publication year, format, identifier, note, type, and course information. A purple circle with the number '4' points to the 'Details' section. Below the details, there's a 'Virtual Browse' section showing a carousel of related books: 'Anatomy 2015', 'Core concepts in anatomy c1997', 'Structure & function of the body c2025', 'Study Guide for Structure... c2012', 'The human body made... 2002', and 'Seeley's principles c2012'. A purple circle with the number '5' points to the 'Virtual Browse' section. At the bottom, there's a 'Links' section with 'Display Source Record' and a 'More from the same Course' section showing a carousel of related books: 'Human anatomy & physiology', 'Hole's human anatomy & physiology', 'คู่มือปฏิบัติการกายวิภาคศาสตร์พื้นฐาน', 'สาระสำคัญกายวิภาคศาสตร์ของมนุษย์', and 'Moore's essential clinical...'. A purple circle with the number '6' points to the 'More from the same Course' section. In the bottom right corner, there's an illustration of three students sitting on the floor, looking at a laptop and a book, with a potted plant and a soccer ball nearby.
